Nothing But Fun SUMMER DAY CAMP Information Guide

IT'S ABOUT HAVING ONE SENSATIONAL SUMMER...

with lots of familiar friends and some new ones, all having fun, and enjoying activities each day from start to finish. Welcome to Marlboro Township Recreation and Parks exciting Summer Day Camp Program. The alternative to costly day camp programs.

Over the years this incredible summer day camp has provided memorable summers exclusively for the children of Marlboro Township. Our objective is to provide a safe, and fun-filled environment with enough choices in a supervised activity program, thus avoiding the traditional summer doldrums and boredom.

The program's success is attributed to the planning and professional staff that we have amassed. Teachers and instructors combine with an energetic backup support staff to make this a very special program. Many of our Counselors once were campers and are familiar with our program returning year after year to enjoy the activities in their new supervisory roles. These young adults provide guidance to our campers as they participate in each of the many enjoyable activities.

Due to program demand, limited site capacity and our need to ensure a safe environment, we have employed a random lottery registration system to address enrollment in an equitable manner.

We thank you for your interest and consideration of this extraordinary popular summer day camp.

Stephen Dick - Chair
Marlboro Township Recreation & Parks Commission

What You Need To Know

Marlboro Township Recreation Day Camp program is a six-week program, open Monday through Friday, approximately 9:00 am to 3:00 pm.

Located mainly in Township Schools, the Day Camp program services resident children completing grades K-6, with each location servicing one grade level. For safety, each location has a maximum enrollment capacity.

All camp locations are fully staffed with Site Directors, Activity Instructors, Group Leaders, Art Instructors (at the younger levels), and Counselors. The staff ranges from high school students to adults. The staff to camper ratio is 8:1 for younger campers and 10:1 for older campers.

Several times during the summer, your child's camp site will go on a trip. We go to local bowling alleys, amusement parks, area movies, and more by bus. Every camper is issued a MARLBORO RECREATION CAMPER t-shirt that must be worn on all trips.

Daily on site activities include sports & games, arts & crafts, "theme days" races & contests, camper/group of the week, and much more. Every child is made to feel like an individual in an atmosphere where they can succeed and have an enjoyable experience.

Several times each week, all campers and staff are bussed to our Award Winning AQUATIC CENTER located on Vanderburg Road. There each child can swim and play in our "zero depth" pool (0' to 5'), play under the spray features, laugh on one of the two water slides or just relax by the pool. For the non-swimmer, the facility includes, athletic fields and courts, a concession stand, playground area, and plenty of shade to keep cool.

It's nothing but pure fun for everyone.

Travel Camps

For the children completing grades 7 & 8, Marlboro Recreation offers Travel Camps. For safety purposes, each location has a maximum enrollment capacity.

For five (5) weeks, campers will experience local attractions. By bus children and staff will go to beaches, tubing down the Delaware, baseball games, water parks, and many other fun locations.

Our Registration Procedure

Applications will be accepted by MAIL ONLY. All envelopes must be postmarked NOT BEFORE a specified February date and NOT AFTER a specified February date. As dates vary from year to year, actual dates will be posted. All applications received within the specified postmark time frame will be considered eligible for entry into a computer generated "RANDOM SELECTION PROCESS" lottery. It must be noted that for safety purposes, each location has a maximum enrollment capacity.

Each child must have a separate registration form which must be accompanied by a \$100 deposit, which will be refunded ONLY if a child is not accepted into the program. Notification of acceptance will be mailed to the household in March.
